Election/Restriction

TECH CENTER 1600/2900

The Examiner has required restriction to one of the following inventions under

35 U.S.C. §121:

- Group I: claims 25-29, (drawn to a bispecific molecule comprising an autocrine growth factor and an antibody or antigen binding fragment);
- Group II: claims 30-31 (drawn to a method of inhibiting proliferation of tumor cells);
- Group III: claims 32-37 (drawn to a method of stimulating an immune response against a tumor cell);

Applicants hereby elect Group I (claims 25-29) for prosecution in the present application without traverse.

CONCLUSION

Applicants respectfully submit that the application is now in condition for allowance. If a telephone conversation with Applicants' Attorney would expedite the prosecution of the above-identified application, the examiner is urged to call Applicants' Attorney at (617) 227-7400.

Respectfully submitted,
